VILLA LEONARDO GAMBIN

NAMING OPPORTUNITIES

For more than 20 years, Villa Leonardo Gambin has proudly served seniors and individuals living with complex care needs and disabilities throughout Vaughan and the Greater Toronto Area. From the moment a resident walks through our doors, we aim to provide exceptional care while creating a home where every person feels valued, respected, and loved.

A Message from the Board

Since opening our doors in 2004, Villa Leonardo Gambin has been much more than a long-term care home. We have been a family, a community, and a place where people come together to care for one another.

For more than 20 years, Villa Leonardo Gambin has proudly served seniors and individuals living with complex care needs and disabilities throughout Vaughan and the Greater Toronto Area. From the moment a resident walks through our doors, we aim to provide exceptional care while creating a home where every person feels valued, respected, and loved.

Our home is built on a simple belief: how we care for people and how we care for one another matters.

At Villa Leonardo Gambin, **we strive to provide best-in-class care** through compassionate staff, dedicated resident care professionals, meaningful programs, and an environment that celebrates the individual. But exceptional care is about more than resident care alone. It is also about family, food, culture, connection, dignity, and creating a sense of belonging.

Our beautiful home represents something important to the Vaughan community. It is a place where generations come together, where traditions are honoured, and where residents can continue their care journey surrounded by people who genuinely care about their well-being.

To continue providing the level of care our residents deserve, we need the continued support and investment of our community. **Your generosity allows us to attract and retain qualified, compassionate resident care professionals**, obtain exceptional medical and resident equipment, enhance our living spaces, and create environments that support the physical, social, and spiritual well-being of those who call Villa Leonardo Gambin home.

We believe that caring for our community is a responsibility we all share to ensure that Villa Leonardo Gambin remains a welcoming, vibrant, and exceptional home for generations to come. We are deeply grateful to everyone who has supported Villa Leonardo Gambin over the past 20 years. Your generosity has helped us grow, improve, and invest in the people and programs that make our home special.

Today, we invite you to continue that legacy.

Together, we can raise the standard of care, create spaces that inspire connection and comfort, and ensure that every person who calls Villa Leonardo Gambin home receives the very best that our community can give.

On behalf of the Board of Directors, thank you for believing in our home, for investing in our residents, and for being part of our family.

With sincere gratitude,

The Board of Directors, *Villa Leonardo Gambin*
